Places where dreams come true

Author: Visit kyiv

Short description

Dear fellow, we invite you to visit places, where you will see the real magic: Big will become small (in the Museum of miniatures), and you will be able to: ride a train through the city (on the Children's Railway), step inside the soap bubbles (in the Museum of Water) create a lighting (in Experimentanium), check the time with a fairy-tale clock (near the Puppet Theater), become a giraffe's guardian (in the Kyiv Zoo), travel through the Solar System (in Planetarium), and do other extraordinary things that seem to be absolutely unreal in the usual Life.

Where we go

Children's Railway — Planetarium — Museum of Water — Experimentanium — Kyiv Zoo — Kyiv in miniature — Kyiv state academic theater of dolls — Museum of Microminiature by Nikolai Syadristy

Total km	How long	On the way
